

## Parking Directions for the Volunteer Hall Parking Garage

If you are driving to campus, please be aware that parking is somewhat limited. For your convenience, you may want to park at the Vol Hall (Public Parking) Garage on White Avenue. Only use the entrance that is located on White Avenue. This garage is two blocks from the Haslam Business Building. Please bring your parking ticket to the MBA Office to be stamped for courtesy parking.

Once you have parked:

- Turn right out of the garage (towards Sixteenth Street).
- Turn left onto Sixteenth Street, and follow it two blocks. Sixteenth Street will become Volunteer Boulevard.
- The Haslam Business Building is the gorgeous new building at the end of the second block (on the left hand side of the road). When you enter the building from Volunteer Boulevard, you'll be on the third floor in the Atrium.
- Proceed forward, and the elevators will be about halfway down the hall. The MBA office is on the fifth floor. Turn away from the windows as you exit the elevator, and our office is at the end of the hall.

Please let the MBA Office (865-974-5033) know if you need additional information. Driving directions to the Volunteer Hall Parking Garage can be found at <http://mba.cba.utk.edu/quick-links/directions-parking.asp>.
